MT70 LED AC

INTEGRAL DRIVER

Suspended/Surface mounted. Tubular diffused LED light, with chrome plated aluminium end caps.

THE MT70 LED AC IS A CLEAN-CUT DESIGNED LED FITTING.

The satin or clear diffusers will enhance any modern space. The light can be suspended horizontally or surface mounted. The cylindrical tube offers a 180° distribution of light through its polycarbonate diffuser.

The MT70 LED AC is an incredibly versatile linear lighting solution, it makes use of efficient LED technology offering switched or DALI dimming options for a controllable level of light output.

Suitable for almost any interior application.
