# MT70 LED ELIPSE

INTEGRAL DRIVER

## Suspended/Surface mounted. Tubular diffused LED light, with elliptical moulded end caps.

### A CLEAN-CUT CLASSIC DESIGNED LED FITTING.

The satin or clear diffuser will enhance any modern space. The light can be suspended horizontally or surface mounted. The cylindrical tube offers a 180° distribution of light through its polycarbonate satin diffuser. Available with black or white elliptical moulded end caps.

The MT70 LED Elipse is a designed alternative to MT70, it makes use of efficient LED technology offering switched or DALI dimming options for a controllable level of light output.

Suitable for almost any interior application.
