ECO LED STICK-LITE INTEGRAL DRIVER

Cylindrical Diffused LED Light

Free of Support as Standard (Brackets Supplied) – Suspensions Available

The ECO LED Stick-Lite utilises the latest in sustainable linear LED technology with the polycarbonate diffuser removing any unwanted spotting. Supplied complete with a UK / Euro plug as standard, installation of this LED fitting is simple but effective. Should an alternative power connection be required, please contact us.

These fittings can be suspended vertically off their own power cable, or a designated vertical suspension kit can be supplied if needed.

Suitable for almost any dry (IP20) interior application.
